9. To qualify as a VDO, you need to have a VDO Pack, a Virtual Dispensary fee and at least 1 qualified additional product at signup and on autoship. You can change your autoship at any time. My suggestion, select a product you will use monthly. If you do not know what product you will purchase, go with the most cost effective to start.

Note That if you have a pack that qualifies for more than one month, it will not be auto-shipped until after the last month has completed for that packages terms.
